Vulcan, Alberta

50th Year, No. 51

That was a dandy meal these members of the Calgary Highlanders of Vulcan seem to be saying as they look up for the camera-man. Back row left to right they

are Lt. R. H. Brinton, Ptes. R.N. Bexte and L. W. Gooch, front row, left to right, Ptes. C. D. McNiven, P. G. Belley and G. F. Oakes. They are all members of "A"

Company of the Calgary Highlanders in Vulcan, part of the group from here who attended summer training camp at Sarcee the first week in July.

Rehearsals Start Sept. 9

Keen Interest Shown In County Band

Fifty-nine adults and boys and girls — many from communities in the County — voiced their approval of a plan to start a County Band, at a meeting held at the Vulcan Elementary School auditorium Tuesday night, July 16. The Vulcan County Band Association was formed, the band will go under the name County of Vulcan Band and rehearsals begin Sept. 9.

During recent years other attempts at such an organization have fallen through but officials of this County Band feel that with the enthusiasm shown at the meeting, the solid organizing body and competent instruction and reasonable method of instrument purchase, the band has a very good chance of being successful.

The following executive was formed: President, R. Lloyd Jones; vice-president, J. V. Christensen;

secretary-treasurer, Lundy Findlay; junior band registrar, Montie Findlay; senior band registrar, Dave Mitchell; music chairman, Mrs. Clarence Priebe; instruments, Harry Washburn; publicity, R. C. R. Munro. Out-of-town assistance will come from John Anderson, Champion; Alec Fraser, Lomond; Len Northcott, Milo; Jack Thurber, Blackie; Dave Shearer, Barons; Dick Minty, Carmangay; Ray Speaker, MLA, Enchant; Bill Lawson, Carseland, and Mrs. Eileen Haga, Kirkcaldy.

Art Dee, a professional band instructor and instrument teacher from Calgary has been contracted to conduct a 10-week band training course beginning in September after which time the future of the band will be reviewed. Mr. Dee has nine such bands in and around Calgary under his leadership and

also plays trumpet in the Calgary Citadel Band of the Salvation Army. He is well recommended by the Calgary School Board and expects to be in Vulcan one day a week for instruction.

A junior and senior band will be formed and the hope is for at least 20 applicants in the junior group. It is emphasized that the term "junior" does not apply to any age group but includes all those who are beginners and not able to qualify for the proposed senior band.

A charge of \$1.25 per lesson will be assessed each person for the 10-week period. In the case of two members of one family participating, the charge will be \$1.00.

A convenient instrument rental-purchase plan is offered through Bob Ingles of Heintzman's Instru-

ment and Sheet Music Department, Calgary. A musician himself, Mr. Ingles has been connected with the organization of boys' bands and groups in Calgary and other centres and has played drums with various bands, orchestras and was at one time a member of the Calgary Symphony Orchestra.

Attendance at the meeting from points in the county was most encouraging and enough musicians showed up with their own instruments to have an hour's "blow" during the evening.

The Milk River Band directed by Harry Ratcliff has already volunteered to stage a concert here this fall with proceeds going to the local band.

Another meeting of the association will be held the latter part of August.

59th Anniv. Celebrated By City Couple

Mr. and Mrs. M. S. Hanson of Calgary, formerly of the Vulcan district celebrated their 59th wedding anniversary Sunday, July 7, at the home of Mr. and Mrs. Lyle Christensen in Calgary, with Mrs. George Fulton as co-hostess, assisted by members of the family.

Present for the occasion were Leonard Hanson, Mrs. Alma Synge, of Vancouver, B.C., Mrs. Gladys Fulton, Vulcan, Harley Hanson, Mrs. Violet Burns, Mrs. Margaret Ewing, Glen Hanson all of Calgary, Marlin Hanson of Athabasca, and Mrs. Opal Christensen also of Calgary, all children of the honored couple. Also present were 40 other relatives and friends. Among those were Mrs. Minnie Anderson of Bellingham, Wash., Mrs. Hilda Orstead of Everett, Wash., sister of the bride of 59 years, Mrs. Ida Hill, Vulcan, Magnus Hanson and daughter, Mabel Bray, Mrs. Eunice Phillips, Mrs. Polly Kilpatrick, Mr. and Mrs. Art Christensen, Mrs. Lillian McDonald, Mrs. Marjorie Kidner, Jaquie, Billy and Robbie of Vancouver, and Mr. and Mrs. Howard Journey. Dinner was served to the guests by the hostesses, and all expressed the hope that the honored couple would celebrate their diamond anniversary next year. The Hansons were married in North Dakota and came to the Vulcan district about 1911, where they homesteaded. They have resided in Calgary for several years.

Top Honors To Vulcan Golfers

Vulcan golfers won top honors at Turner Valley's annual golf tournament on Sunday, July 21, when Glen Gorbous won the men's championship flight and Thelma Haverty won the lady's championship. Gorbous also won men's low qualifying honors with a two under par 32.

Other Vulcan winners were Ray Wellman, third in Champion flight; Norm Pettie, first in first flight; Joe Keenan, third in third flight; Bob Willard, second in sixth flight; Ross Walker, second in seventh flight; Burnell Drummond, third in eighth flight; Ernie Bowie, second in ninth flight.

Gail Walker won second place in flight one and Ruth Christensen second in flight three for the ladies.

About 25 Vulcan golfers competed in the tournament.

The annual Foothills Tournament will be held at the Staveley golf course on successive Sundays, July 28 and August 4, and the annual open tournament at Vulcan will be held on Sunday, Aug. 18.

Fish & Game Rifle Shoot Well Attended

Pleasant, sunny skies greeted marksmen at the Carl Steiner farm last Saturday where the third annual Vulcan and District Fish & Game Rifle Shoot was held.

The shoot was organized by Carl and Jerry Steiner and consisted of trap shooting in the morning followed by big game and .22 rifle shooting from 1 to about 6 in the afternoon.

Merle Smith of Vulcan won the high aggregate score in trap shooting and with the big game rifles with a 67 out of 100 point record.

The results follow with first and second places given: iron sights, Merle Smith, George Randle; scope sights, Jerry Steiner, Dan McNiven; standing shoot, Merle Smith, Richard McNiven; moving target, Carl Steiner, Bob Heckle (Cheadle); tight group, Bob Heckle, W. Skibsted, (Cheadle); trap shoot, Art Eek (Calgary) Jerry Anderson (after shoot-off with Ray Despas).

Twenty-six entries were involved in the trap shoot while 30 took in the big game rifle events. A number of boys and ladies kept the .22 rifle shoot active during the afternoon.

It is felt this shoot has a good chance of growing in popularity. The deep coulee location is a good natural site and the Steiner boys have built a trap-house and have installed a telephone system at the target area.

Champion Heads Ball League

Twelve points ahead of Enchant, their nearest rival, the Champion baseball team has a solid lead in the Wheatbelt League standings, having a record of 16 wins against only one loss.

	Win	Loss	Pts.

Magazine editor of the Lethbridge Fish and Game Association, Oscar Eritsland, was introduced as one of two guest speakers. He spoke of the efforts being made by the Lethbridge group in running schools for boys and girls in the care and handling of firearms. The school last year was for boys 13 to 17 years of age and was successful, however, it was requested that girls be included so this is now being done.

Second speaker was Ernie Scully, first vice-president of the Lethbridge Association, who gave an interesting talk on sport fish.

A new wrinkle in the wording of No Shooting signs was described by president Glen Dahl. Some lands previously posted "No Hunting" are now being posted "Hunting Permitted Only By Those Holding Wildlife Insurance". This refers to the insurance which is included in 1963 Fish and Game memberships.

Steve Dixon, regional representative of the provincial Fish and Game body, spoke briefly on a new piece of legislation which prevents the shooting of almost any animal without a licence. This includes rabbits and coyotes.

Mr. Dixon felt this to be a most unsatisfactory ruling and urged members to have the local member of the Legislature made aware of the feelings of the Association.

Klassen Co. Not Hiring Additional Staff At Present

Klassen Construction Ltd., formerly of Yorkton, Sask., has now moved to the Vulcan Airport but persons seeking employment with the firm are advised that it will be two or three months before applications for work will be accepted.

Certain preparatory work, including the building of a prototype of the prefabricated homes which the company will build for the United States Air Force, must be done before the firm starts actual work on the big contract and no additional men will be hired until the company is ready to start full scale production.

Men seeking employment are asked to refrain from contacting the company at this time. Due notice will be given when the company is ready to start taking applications for employment.

LYNX SEEN NEAR TOWN

The R. L. Jamisons who live just north of town had a most unusual breakfast visitor at the farm last Thursday morning.

At 8 o'clock a full grown, healthy lynx marched up the road from town, into the driveway, through the garden and on its way north into a field before the surprised family.

Many such occurrences have been reported this year around southern Alberta but these were generally earlier in the spring.

This particular lynx seemed to be minding its own business and was not disturbed by the Jamisons.

Canada lynx are protected by law and in the event of such visitations by these animals authorities suggest they be left to go their way or if they present any real threat a Wildlife officer should be contacted.

JO Buckhorn Guest Ranch Beckons Visitors

(From The Lethbridge Herald)
If you have a yen to get away from it all and yet live in rustic luxury, the "JO" Buckhorn Guest Ranch is the place to go.

Shadowed by the Rocky Mountains, the scenic and peaceful setting for the ranch seems secluded and off the beaten track. Actually it's only 18 gravel road miles southwest from Pincher Creek and a paved highway.

The "JO" and the Buckhorn guest ranches operated separately for many years but they were purchased two years ago by C. W. "Bill" Looze, a Vulcan district farmer who decided to have a fling at guest ranching.

Sunday the ranch held its official opening and about 200 persons watched a display of horsemanship events such as barrel racing, hat racing and chariot racing that was about as close to the true Ben Hur style as a guest ranch should get.

The guests topped off the day with a big feed of barbecued beef and beans with all the trimmings, done up by Mel Fengstad of Lethbridge and Paul Knutson of Pincher Creek.

Bill Looze is proud of his ranch spread as it now stands but he's not satisfied yet. In the planning stage are an air strip, swimming pool, large banquet hall and a golf course. The air strip, banquet hall and golf course are first on the list and he hopes to have them ready within the next year or two.

But even without those additions, there's plenty to do. The more than 100 guests that can be accommodated have their pick of some of western Canada's finest big game hunting and fishing, not to mention swimming, dancing, trail riding in the kind of surroundings that only the Rocky Mountains can provide and just plain loafing.

The ranch also features old-fashioned picnics, hayrides, chuck-

New Post Office Is Planned For Vulcan

Plans for future mail services at Vulcan will make it necessary to build a new, larger post office here — possibly next year — according to the Post Office Department.

A proposed change in postal services at Vulcan will necessitate larger loading and mail lobby areas to permit the exchange of mail for highway and stage services and the existing accommodation is considered inadequate for this purpose. The additional space which will be needed cannot be provided at the present location, according to the Department.

Sites in which the Post Office Department is interested are the former Elder Garage property, now owned by Richardson & Gould Ltd. and used as a farm machinery lot and the corner lot adjacent to Gareau's Iron Works,

which is owned by the Town and has been vacant for the past 20 years.

The Vulcan Chamber of Commerce has registered its objection to any move that would take the Post Office out of the downtown business area, citing the inconvenience it would cause businessmen and the general public. The Department of Public Works, which is in charge of accommodation for the Post Office Department, has advised the Chamber of Commerce that every consideration will be given to the convenience of Vulcan citizens in selecting a new location. The lease on the existing accommodation has been renewed for a further year, but the letter from the Minister of Public Works states that it is intended to provide the improved accommodation during the 1964-65 fiscal year.

Services Held For James Adams

James Leighton Adams, aged 49, of Lomond, died suddenly at his residence on Saturday, July 20.

He is survived by one sister, Mrs. Alex (Jean) Fraser of Lomond, two nieces and three nephews. He was predeceased by his mother in 1941, his father in 1960, and by two sisters, Doris and Florence.

Services were held at the Lomond Lutheran Church on Tuesday, July 23, 1963, with Rev. D. A. Sharpe of Vulcan officiating. Pall bearers were Oliver Hart, Bruce Gerhan, Walter Domolewski, Marvin Hendrickson, Lloyd Schlaht and Ron Walker.

The Vulcan Funeral Home was in charge of arrangements.

Bill Looze is optimistic about the future of the "JO" and Buckhorn Guest Ranch.

"It'll take a while for us to get well known but we've already had guests from all over Canada and several parts of the States. Word is bound to get around about what we've got here."

If the type of hospitality dished out on Sunday was an indication, word will get around.

During the remainder of the day there was more fence crawling, hedge burrowing and plot picking than has been seen on the course for some time; however everyone arrived back safely at the finish.

This was probably the biggest money-tournament the course has seen with five winners sharing \$650 in prizes.

Kinsmen vice-president Glen Gorbous, who organized the day, took first prize with low gross of 78. He also kept score. Low net was won by Dick Warren who carded a 68. He faces disqualification for having practiced for a week before the tourney.

Third prize for highest score on the 8th hole was a tie between Ray Moore and Charlie Gruzsie who blew nine swings each. They both used the same set of clubs so had to stay together.

Bob Petrosky won fourth prize for having the lowest score on the 8th hole. He claimed a four on this but as the green is of temporary rough grass officials stated this score is impossible and will be investigated.

LaVern Scott took fifth prize as the most honest golfer, coming in with a score easily outdistancing his nearest rival. Officials though, feel this newcomer to the golf scene may not have been necessarily honest, but rather ignorant of the game and instead of quitting after the second round, the assumption is that he went an extra five holes and scored accordingly.

The local Kinsmen are awaiting the national verdict of the day's play across the country.

Kinsmen Good Sports, If Not Good Golfers

Twenty ambitious young Vulcan Kinsmen hit the local golf links Sunday, July 13, to put their infant club on the Canadian Kinsmen map. This was to be accomplished by a victory in the Pattison Golf Tournament, an annual affair across Canada, organized by the Association of Kinsmen Clubs.

The spirit, drive and determination was there and most of the boys held on for the full two rounds of play. In that this was handicap play and points were awarded for numbers taking part, it is felt that if the cards are properly juggled, the local objective will be achieved.

The first morning flights teed off just prior to the wind, rain and dust storm which struck from the west and the boys turned toward and lined out for the comfort of the clubhouse for a half hour.

During the remainder of the day there was more fence crawling, hedge burrowing and plot picking than has been seen on the course for some time; however everyone arrived back safely at the finish.

This was probably the biggest money-tournament the course has seen with five winners sharing \$650 in prizes.

Weather

Hot weather has prevailed this past week and high winds were general over Southern Alberta Monday of this week.

Haying is in full swing and fall-sown crops will soon be ready for harvesting. Wheat, flax and other spring crops are making good progress and although there is considerable variation in the appearance of fields, crop prospects, generally, range from fair to very good.

The most dangerous seat in an auto is to the right of the driver. More than 80 percent of auto accident injuries are sustained there.

Junior Citizen Awards

Do you know of an Alberta boy or girl, 16 years of age or under, who is worthy of recognition for an outstanding achievement in the past year?

The Advocate, along with the other weekly newspapers of Alberta, is co-operating with Calgary Power Ltd., in seeking out nominees for "Junior Citizen of the Year" awards. Too often, some outstanding achievement of a youngster is virtually unrecognized except by his own family or friends. The Junior Citizen awards, instituted last year as a public service by Calgary Power, are designed to give such youngsters the recognition they deserve and encourage good citizenship practices among the young people of today.

The special achievement may be an act of physical heroism, outstanding work with some organization, scholastic success in the face of adverse circumstances or accomplishment under the handicap of physical disability or illness.

Six of the Alberta nominees will be chosen to receive public recognition and Junior Citizenship Awards for outstanding achievements between October 1, 1962, and August 1, 1963. Nominations should be made before August 1, 1963, by sending details to the editor of your weekly newspaper, with the name, address and age of the young person you are nominating, along with your own name and address.

CARDS OF THANKS

I would like to express a sincere "Thank You" to all my friends for the flowers, gifts, cards and visits received while I was in the Lethbridge hospital. Also many thanks for the baking after I returned home.
—Mabel Gooch, Vulcan. 51-1x

Dear Champion Friends:
We just can't thank you adequately.
For all that you have done.
We're just so very grateful.
To each and every one.
For our picnic and our beautiful gifts.
For friendships everlasting.
For all the pleasant memories.
Please — won't you call in passing?
—With much appreciation, Vernon, Jean, Rick, Les and Diane Jordan, Vulcan. 51-1x

IN MEMORIAM

WIGSTON-TOM— In loving memory of a dear daughter and sister, Mary Arlene Wigston (Tom) who passed away July 26, 1953 and of a dear husband and father, W. Roy Tom, who passed away August 24, 1958.

The years go by but still, we keep
Within our hearts, their image deep,
Our love will hold their memory dear
Through every day and every year.
—Ever remembered by Mom and Orpha, Jack and family. 51-1x

BROWN— In loving memory of our dad, Edward Brown, Lomond, who passed away July 26, 1957. Fond memories will linger forever.
Time cannot change them, it's true,
Years that may come cannot sever
Our loving remembrance of you.
—Bill, Janet, Margaret, Wallace, May and their families. 51-1x

DON'T WASTE CHAFF

CHAFF MAKES LOW COST CATTLE FEED

Grain chaff, fed with or without a supplement, makes it possible to winter cows and calves for less than 10¢ a head a day.

The FOSTER BLOWER AND DUMP WAGON attaches to most popular combines and saves chaff only while harvesting. (Or, at the operator's choice both chaff and straw can be saved.)

The solid dumps of chaff saved with the FOSTER BLOWER AND DUMP WAGON can be fed in the field or easily loaded on a truck with a buck rake and then moved to stack.

In nearly every case, the FOSTER BLOWER AND DUMP WAGON will pay for itself in one year with savings made in cattle feed.
